Student Experience of Your Unit

Very High

Students experience a cohesive and thoughtfully designed unit where assessments, learning activities and resources align well. Moodle pages are considered helpful, materials are seen to be current and communication is seen to support students to succeed. Students' experience is very positive. Ongoing enhancements or enrichment can be considered if thought to be relevant and productive.

Suggested Actions for Enhancement

You could share good practice with colleagues across the university and beyond.

- [* Showcase innovations to inspire others across the university.](#)
- [* Inspire discussion posting or commenting in the Monash Teaching Community blog.](#)
- [* Be a critical friend as part of Peer Review of Teaching.](#)

Faculty Average Unit Score*

83

Response Rate 76%
* Provisional faculty average scores — results may change until the end of the current [SETU round](#).

Score Distribution

AI Summary of Qualitative Data

Which aspect(s) of this unit did you find most effective?

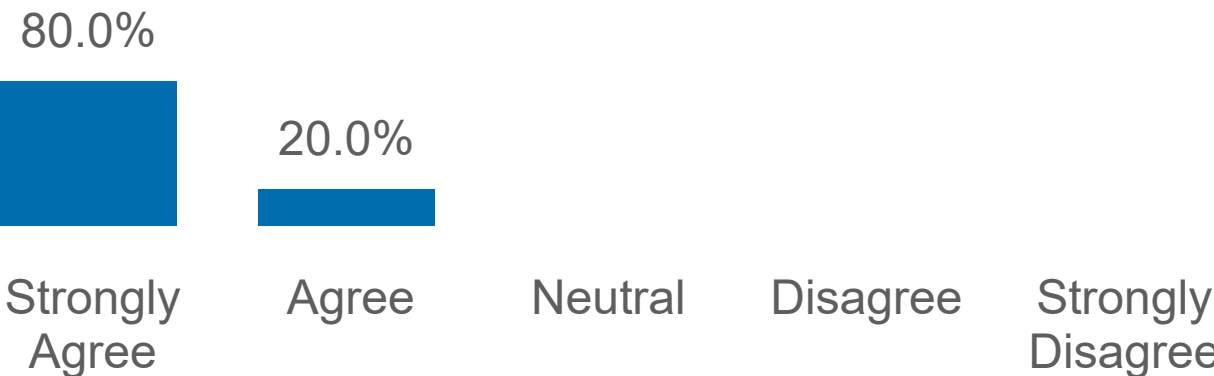

1. Use of discussions and formative feedback - In-class and focus discussions were effective for learning.
2. Engaging learning activities - Lecturer created engaging, constructive, relevant class environment.
3. Clarity of unit content - Materials were effective.

Would you suggest any changes to enhance this unit in the future?

1. Assessment structure and approach - Assessments constrained by limited topic choice.

Student Overall Satisfaction (Old Q8)

Score: 4.9 out of 5
